

As the New Brunswick Chapter of the Canadian Condominium Institute grows, more people are needed to help with a variety of projects and tasks. The Chapter needs talent to help establish some committees, such as communications, education, and membership. We are currently looking for new Board Members too.

There are lots of opportunities for you to get involved and help make the New Brunswick Chapter better and more responsive to your needs. Have a knack for writing? Maybe submitting an article for the newsletter is the right volunteer opportunity for you. Do you enjoy teaching or giving presentations? Maybe helping deliver a seminar or course appeals to you. Maybe you enjoy meeting people and helping out a few times each year. Your time would be appreciated in helping plan events and helping with the setup or registration.

Whatever the amount of time you have to commit, your help is always welcome to keep the NB Chapter thriving and growing.
